

## Using CASS Self Serve

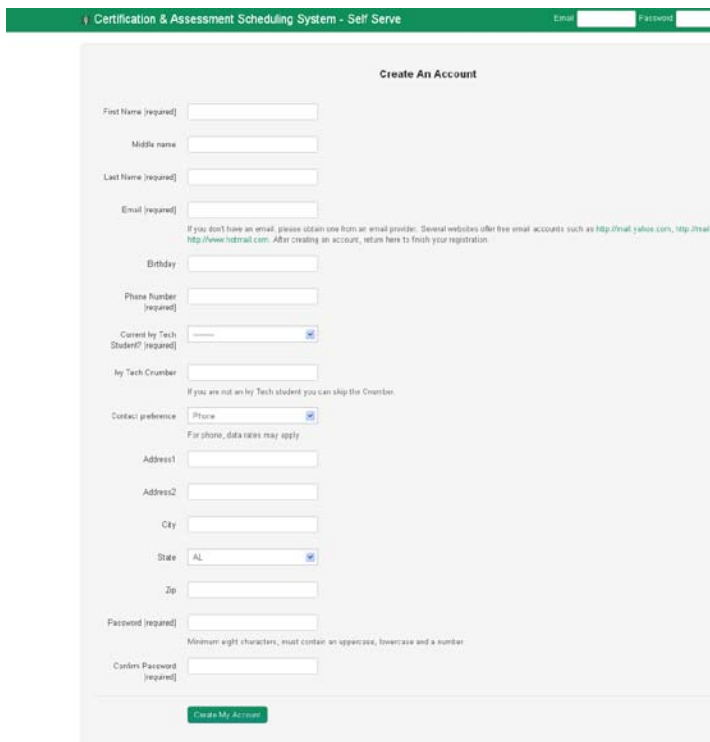

### Login/Creating an Account

CASS Self Serve can be accessed by going to <http://www.ivytech.edu/schedulenow>. Existing users can proceed by entering an email and password.

New users will need to create an account in order to use Self Serve. Click [Create Account](#) to get started.

When creating an account make sure you fill out all items that are labeled [required]. If you are an existing student make sure you have your Ivy Tech C#. Note: If you are taking an exam that results in a certificate that will need to be mailed to you, please include your mailing address as we will need this to mail your certificate(s) after you take your exam (e.g. Hospitality, ADMF, CAAP).

Once you have created your account you will receive an email from Ivy Tech that includes a link to activate your account. Click on that link which will bring you to the main page. Login with your email and password.

Choose a start time.

### Submitting Your Request

After you have selected your date and time, you are ready to submit. Please note that CASS Self Service allows you to request testing times. Your appointment is not confirmed until you are notified by testing center personnel.

When ready, click the button to submit your request.

## Viewing Your Appointment Requests

You will have a screen that shows that your request has been received and is pending testing center verification. At this point you will wait for confirmation from the test center to approve or deny your appointment request. Please allow at least 48 business hours to receive the approval/denial notification. If after 48 business hours you have not received a response, you may contact the center via phone. A link to testing center phone numbers is provided. You may view this screen anytime by clicking List.

The screenshot displays the 'Certification & Assessment Scheduling System - Self Serve' interface. At the top, a green header contains the system name and a 'Logout (tturner38@ivytech.edu)' link. Below the header, a light green notification box states: 'Your appointment has been tentatively scheduled. You will be notified when our staff has confirmed your reservation.'

On the left side, there is a user profile section with the following information: 'First: Joshua', 'Last: Turner', and 'Candidate ID: 401515'. Below this, there are two main menu sections: 'APPOINTMENTS' with options for '+ Schedule' and 'List' (the latter is highlighted in green), and 'MY ACCOUNT' with a 'Profile' option.

The main content area features a table with the following data:

Actions	Id	Status	Time	Campus	Test
	405202	Self Registration - Pending	June 27, 2012 03:45 PM	Sellersburg	Distance Ed - 120 minutes

At the bottom of the page, there is a link: 'Contact A Testing Center For Assistance'.

## Cancelling or Rescheduling

Once the request has been submitted, you can use the Actions feature to Reschedule or Cancel an appointment up to 48 hours in advance. If less than 48 hours in advance, you will need to contact the testing center to reschedule or cancel your appointment.

This image shows a close-up of the 'Actions' column from the table in the previous screenshot. The dropdown menu is open, showing two options: 'Reschedule' (highlighted in green) and 'Cancel'.
